THANKSGIVING SCAVENGER HUNT

Cut out the cards and hide them in order.

1

I'm filled with bubbles,
warm or cold—
Find me where clean
hands are the goal.

2

I open and shut to
keep things neat—
Plates and cups are
where I keep.

3

I'm bright at night with
just one touch—
Find me near where you
read or snuggle up.

4

I'm where you throw
things that you don't need—
Scraps and wrappers come
to me with speed.

5

I'm where you brush
your teeth each day—
Mirror above me gives
it away.

6

I'm where your coat
might hang in line—
Near the door, I'm easy
to find.

7

I'm where games and
puzzles like to stay—
Open me up for
family play.

8

I'm warm and toasty,
I help food bake—
Find me where pies and
rolls you make.
